The Continental WELCOME

THIS MAY'S FESTIVAL IS BIG, BIG, BIG. WE HAVE TAKEN OVER THE CAR PARK WITH YET MORE BEER.

We now have two whole beer halls to go at. There will be over 120 beers racked between the two halls. In addition to this, the Big Beer Bar will be back again with over 20 keg beers being served over the weekend and 9 high abvs on handpull. Add to that the ever-changing range on the main bar and we are talking about a serious number of different beers on offer; showcasing the best the UK has to offer:

We are delighted to include new faces such as Atlantic Brewery (Newquay), who are currently making waves with their unfiltered (thus slightly hazy) organic vegan friendly beers; Brass Castle Brewery (Malton) who are doing some interesting stuff with keg and cask, such as a saffron infused Belgian blond ale; Northern Monk (Bradford) doing fine collaboration beers with the likes of Blackjack and Hopcraft; Also, last but not least we have Preston's newest brewery, Bishop's Crook.

We have session ales, bests, porters, milds, stouts, IPAs, black IPAs, red IPAs, hop monsters, fruit beers, saisons, Belgian wit beers – absolutely the full spectrum of beer styles. There is a load of stuff here we just can't wait to get stuck into.

For the more strong headed of drinkers there will be some beasts to be battled. Great Heck Brewery - Yakima (7.2%) is a powerful IPA and a personal favourite. Driftwood (Cornwall) with Alfie's Revenge (6.5%) - a big malty ale. Celt Experience weigh in with a double IPA clocking up at a hefty 8.8% on handpull. The Ultimate Challenge on Keg this year

will be Anarchy Brewery's Warhead (10%). A mind blowing Double IPA. #YOLO

We have 40 great ciders and perrys (pear cider) for you this time. We have dry as the desert ciders such as Millwhites Rioja cask aged cider; the return of the Moonshine and stacks of easy going fruit based ciders.

As always there's a plethora of live entertainment for your delectation, this time including free sets from rockabilly outfits The Hyperjax and Doug Perkins & the Spectaculars, funk n' soul with the Templebys, Glaswegian 60s-style psych rock outfit The Fast Camels, indie rock from The Kausters, India Mill and 1.21 Gigawatts, folk goodness from The Remedy and Spiral Scouts, and DJ sets from local legends The Funky Onion.

BBQ delicacies will be on hand this year with sexy burgers, Bratwurst, chorizo sausages, pulled pork, vegetable chilli and much more.
